MEMORANDUM FOR:

STAT

SUBJECT : Comint - Elint Security

On 27 April the DCI referred to the discussion in the USIB meeting of 25 April concerning Comint - Elint security and the difference of opinion between Comor and NSA on this subject. He asked if you would review this matter and make recommendations to him for the consideration of USIB inasmuch as he did not feel that the members of USIB were able to evaluate all of the factors at their 25 April meeting.
